

REMARKS

In the Official Action mailed September 19, 2007, the Examiner issued a Notice of Incomplete Response based on Applicants' Election in the previously filed Response dated June 1, 2007. The Applicants had failed to elect a subspecies and identify which claims read on the indicated subspecies. Applicants previously elected Group I, and also elected subspecies A, M and Y, with traverse.

Applicants now indicate that the claims which read on the elected subspecies are: claims 42-50, 53, 55-94, 100-107 and 110-111.

It is believed that a full and complete response has been made to the outstanding Office Action and, as such, the present application is in condition for examination on the merits. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
JACOBSON HOLMAN PLLC
